PRIVATE STREET PARKING RULES

The streets within the Villages within the Willows neighborhood are private streets. All above rules apply with the exception of no parking on the street between 10 p.m. – 5 a.m. The exemption to this rule is based on the design of the neighborhood, which limits the private parking areas. Owners, guests and residents of the Villages within the Willows neighborhood are encouraged to park in their garages before parking any vehicles within the designated on-street parking areas. When on-street parking is utilized, vehicles must be parked parallel to the direction of traffic flow on that side of the street of which the vehicle is parked. Parking within the alley, alley easement, open space easement, sidewalk or landscaped area of the Villages neighborhood is strictly prohibited. Vehicles in violation of this policy may be ticketed and/or towed at the owners' expense.

First Notice Reminder letter that vehicle is parked in violation of Rules and Regulations and Article 4, Section 4.3.21 of the CC&Rs may be mailed and/or a ticket issued by Bolt Security Patrol or other agent of PRCA may be attached to the vehicle in violation.

Second Notice Second reminder shall be mailed and ticket issued by Bolt Security Patrol or other agent of PRCA may be attached to the vehicle in violation. A phone call from the Association office may follow.

Third Notice A letter from the Association reviewing the repeated violations and attempts to resolve the issue shall be mailed. Letter shall include notice to Owner that a fine of \$50.00 per occurrence may be imposed for such violations and the Association may exercise other enforcement rights provided for by law or in the CC&Rs.

Hearing The third notice (and all subsequent notices for that violation) shall include a provision regarding the opportunity for the Owner to request a hearing with the Board of Directors and an opportunity to contest the violation. The notice will allow the Owner ten (10) business days to contact the Association Manager or other such person as designated in the notice, in writing, to request a hearing on the violation and/or contest the violation. Failure by the Owner to request a hearing within ten (10) business days shall constitute a waiver of the right to a hearing on the violation. A request for hearing shall not invalidate the provision for a reduced (50%) fine if after a finding by the Board that the Owner was in violation the fine is paid within ten (10) days from the date of the hearing.

Fines If a fine is assessed and is paid within 10 days of the date of the violation, the fine is reduced by 50%. Payment of a fine within ten (10) days shall mean the deposit of payment addressed to the Association at 4444 E. Haven Crest Drive, Gilbert, AZ 85297 into the U.S. Mail and postmarked not later than the tenth day following the date of the letter giving notice of the fine if such payment is actually received. Payments not honored shall not be considered to have been made within ten (10) days. Continual and habitual violations for any Lot will result in a progressive fining system as follows: If a Lot has more than 3 violations within a 6 month period, then the fine for each such occurrence shall be automatically increased to \$100 for each subsequent violation; If a Lot remains in violation of the same provision for more than 5 consecutive days, the fine shall automatically be increased to \$100 for each day thereafter that the Lot remains in violation.

Injunctive Relief The Association may seek Injunctive Relief following the assessment of a fine.

This Fine Policy is in addition to any and all other remedies provided for by the laws of the State of Arizona and the Covenants Conditions and Restrictions of Power Ranch and any amendments thereto and the use hereof does not inhibit the Association exercising any other rights of enforcement which may include any and all legal means.
